TRANSFER AND SCHOOL PLACEMENT SERVICES OF WHOLEREN, LLC

OUR SERVICES

● US Middle / High School Application

WholeRen's middle and high school application team consists of the most specialized experts in the field and guarantees fast progress when applying to schools. We will start working on your case within the first day, provide progress reports within two days, and recommend the most suitable schools within four days. Our services help students apply to schools in both boarding and homestay capacities as well as help them quickly adjust to American school life.

● US Graduate School Application

WholeRen has years of experience in helping students apply for graduate schools and provides applicants with the most up-to-date information on institutions to help put them on the right track to success.

● American College / University Transfer

WholeRen Education has an intimate knowledge of America's transfer system having helped more than 1,000 students successfully transfer over the course of six years. WholeRen has helped students transfer across all levels of postsecondary education including transfers from Chinese to U.S. universities, from community colleges to four-year colleges, and from standard U.S. universities to top-50 universities.

● US Undergraduate Application

WholeRen analyzes various public and private institutions while taking into account students' grades, language test scores, and personal background in order to recommend the most suitable schools.

● TOP 50 Guaranteed Acceptance

A complete plan is laid out for each student based on his or her academic history, and we work closely with students to help raise their grades and improve the strength of their applications.

WholeRen's comprehensive approach comes from specialists in their respective fields and helps students improve across multiple areas in order to give them an all-around stronger application. It is thanks to our expert staff and holistic approach that we are able to help students enter into top-50 institutions in the U.S.

● Academic Advising

WholeRen offers a number of support services to our students including school and cultural adjustment services, academic counseling, tutoring in weak subject areas, and transfer assistance. Over the past six years we have helped nearly 2,500 students with our academic support services and have helped more than 1,000 struggling students get back on track academically for a successful stay in the U.S. universities, from community colleges to four-year colleges, and from standard U.S. universities to top-50 universities.
